NILE BUILDINGS, HALLS & CLASSROOMS

The lecture halls and classrooms at Nile University of Nigeria are strategically located within the main academic buildings on campus. These buildings are specifically designed to align with the names of prominent African rivers namely:

The Nile Learning City

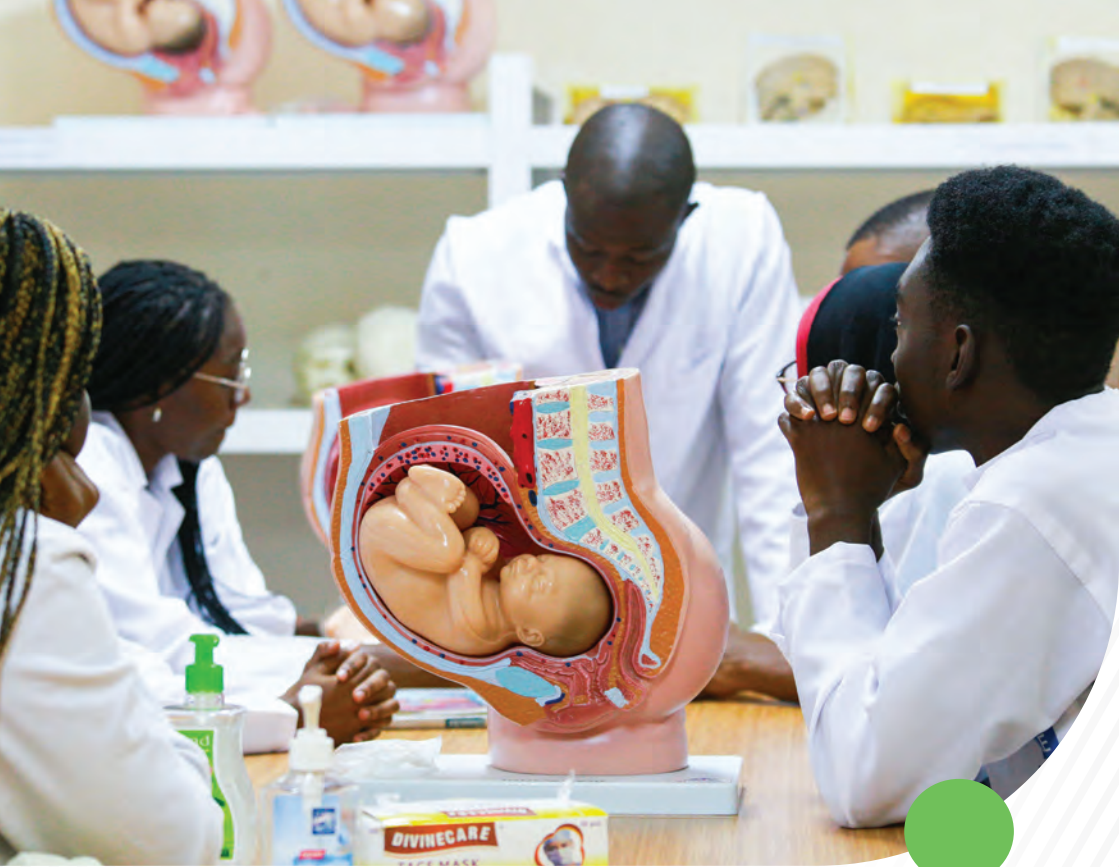

At the heart of the Nile University campus lies a revolutionary structural cluster that is redefining higher education: an in-house Learning City designed to provide students with a holistic and immersive learning experience.

The Nile Learning City comprises Academic Buildings known as Niger House, Volta, Limpopo Bay, Congo House, a STEM Lab also known as Ubangi House, and a Student Centre. These innovative spaces are redefining the way students engage with their studies and the campus community.

- **Nile House (Administrative Building):** This is a multi-functional single-storey building that houses a variety of essential administrative offices and spaces. These include Registry, Admissions, Nile Centre for Open & Distance Learning, Nile Digital Business, Marketing & PR, Nile Consult & Services Ltd., Academic Division, Bursary, Information Desk, Call Centre, Human Resources, ICT, Creative, Procurement, Real Estate & Facilities, Sports, Senate Room, Nile Trophy Trove. Additionally, Nile House is home to the offices of key leadership positions including the Pro-Chancellor, Vice-chancellor, Chief Financial Officer (CFO), Chief Operations Officer (COO), Chief Marketing Officer (CMO), Deputy Vice-Chancellors (Academics and Central Administration), Registrar, and Deputy Registrar.
- **Niger House:** Niger House is a state-of-the-art three-storey building dedicated to serving the faculties of Management Sciences, Arts, and Social Sciences at Nile University of Nigeria.

It is equipped with a range of facilities such as a conference hall, multipurpose halls, media studios, staff offices, classrooms, and laboratories. Niger House is a hub for academic activities and events.

- **Volta:** The Volta Building is a three-storey structure dedicated to fulfilling the diverse needs of the College of Health Sciences at Nile University of Nigeria. It encompasses classrooms, laboratories, staff offices, and a soon-to-be-complete Medical Simulation Centre.
- **Library:** The Nile Library, located next to the Volta Academic Building, serves as a valuable hub of information and resources. Students can take advantage of the vast collection of books, journals, and online databases to enhance their studies. Our library offers various services, including the provision of research assistance and materials from our experienced librarians. For any information or inquiries about the Nile Library, please feel free to contact us on the following phone numbers: +234 706 538 9234 and +234 813 293 7526
- **Limpopo Bay (Law Faculty Building):** This 6,000sqm two-storey edifice is designed to cater to the comprehensive academic and practical requirements of the esteemed Faculty of Law and the School of Postgraduate Studies at Nile University of Nigeria. The facility boasts Lecture Theatres, a fully functional Moot Court, meticulously planned Staff Offices, and a well-stocked Law Library, ensuring a complete learning experience for students and faculty alike.
- **Congo House:** This academic building is the hub of intellectual pursuit for students in the Faculties of Engineering and Computing Studies, boasting top-of-the-line amenities, expansive lecture halls, and cutting-edge technology. The building is designed to cultivate a dynamic environment that stimulates curiosity and fosters a deep passion for learning across the engineering and computing departments. Professors from various disciplines converge here to deliver insightful lectures, engage in cross-disciplinary dialogues, and facilitate seminars that promote critical thinking and the free exchange of ideas.
- **Ubangi House (STEM Lab Building):** This facility houses over 20 laboratories in various STEM fields, providing students a suitable training ground to cultivate an innovation mindset. Ubangi also houses the Faculty of Environmental Sciences.
- **The Student Centre:** Situated at the heart of the learning city on the Nile campus, the Nile Student Centre is the social hub that fosters a sense of belonging and community among students. It serves as a space for students to meet, unwind, and connect. The Student Centre houses the Student Services department (and its various offices), which offers a range of student support services from career services to counselling. Offices situated in this building include Student Clubs, Guidance Counselling, Psychology, Alumni Relations, Career Services, and the Nile Collective Lab (also known as the Entrepreneurship and Innovation Hub).
- **Internet Services:** Staying connected is essential in today's world. Our learning spaces on campus are equipped with an estimated 810Mbps high-speed internet bandwidth for students to ensure you access online resources and stay connected with friends and family at ease. To connect to the university's Wi-Fi network and make the most of the technology available to you, visit the ICT office in Nile House.

CLASSROOM CAPACITIES

Our lecture rooms have seating capacities ranging from 50 to over 150 and are well-equipped with state-of-the-art facilities to enhance your learning experience.

Familiarize yourself with our campus map to locate your classes and make the most of your time in the various lecture halls and seminar rooms.

CAMPUS RECREATION

To enhance the vibrancy of our serene environment, we have a well-established and highly functional social centre. This includes the Nile Garden, the Picnic Arena, and Sports Pitches which offer enchanting settings that not only contribute to the overall aesthetics of our environment but also provide an array of recreational opportunities for individuals and groups alike. Our commitment to excellence ensures that students and visitors of all ages can engage in activities that not only promote physical well-being but also contribute to a vibrant and lively community.

So, whether you seek relaxation amidst the serene beauty of the Nile and Picnic Gardens or crave exhilarating games on our top-of-the-line sports pitches, our robust offerings guarantee a fulfilling experience that will undoubtedly add a splash of color to your time here.

EATERIES/CANTEEN

Indulge in a variety of cuisine options at our campus eateries and multipurpose dining halls.

Multipurpose Dining Halls

Our multi-purpose dining halls are specifically designed to cater to the dietary needs of our resident students, particularly for breakfast and dinner. These diners are available to both male and female students residing in our hostels.

Food Court

Whether you are in the mood for a quick grab-and-go meal or a sit-down lunch with friends, our food court has you covered. Explore the diverse menus, dietary options, and opening hours to make dining an enjoyable experience.

NILE MINI MARTS

Say goodbye to long walks and navigating through traffic just to buy your necessities. The Nile mini marts bring convenience to your doorstep, saving you time and effort. These newly completed In-campus Mini Marts at Moat Haven Estate and Victoria Estate are conveniently located right outside the hostels and offer a hassle-free shopping experience.

SPORTS

Our Sports Unit offers nine exciting sporting activities divided into three categories (Team A, B, and C) based on skill level. Get involved in our diverse sports programs:

- Athletics
- Badminton
- Basketball
- Chess
- Football

- Volleyball

We highly encourage your participation in our teams, as they wholeheartedly commit to intensive practice sessions and fitness activities. Moreover, exceptional individuals may be eligible for scholarships, providing further motivation for you to excel academically and athletically throughout your time at Nile University of Nigeria.

To join any of our diverse teams, please visit the office of the Sports Coordinator at room 215B Nile House.

DRESS CODE

At Nile University, we uphold a standard of responsible and smart dressing that honours the values and sensibilities of our diverse community. Whether through vibrant prints, modest attire, or traditional garments, our dress code reflects our dedication to creating an inclusive environment where everyone feels comfortable and respected. Note, however, that students in the Faculty of Law are required to adhere to the clearly defined dress code below.

Law Students (*Monday to Thursday*):

As a future legal professional, you are expected to adhere to this formal dress code:

Female Students:

- White shirt
- Black trousers or skirts
- Black shoes
- Black dresses and black blazers are also suitable options.

Male Students:

- White shirt
- Black trousers
- Mandatory black tie
- Complete the look with a black blazer, black belt, and black shoes.

On Fridays, you have the flexibility to wear casual outfits and traditional attire.

We kindly request all students to comply with these dress code guidelines to maintain a professional and respectful appearance on campus. Dressing responsibly and smartly reflects your commitment to your academic and personal growth.
